INSTITUT MINES-TELECOM BUSINESS SCHOOL

In a world increasingly driven by digital technology, Institut Mines-Telecom Business School is a major player in both innovation and learning. Since its creation, the school has shared the campus with its sister engineering school, Telecom SudParis, creating a unique synergy in France. IMT-BS is among the top 10 management schools in France when comparing the level of salaries earned upon graduation .It proposes a full offer of programs, ranging from undergraduate to doctorate, all meeting international standards.

INSTITUT MINES-TELECOM

A leading institute, one of the first national groups of higher education and research in the fields of engineering, management and innovation, with 12,000 graduate students and more than 3,600 faculty and research staff members. Apprenticeship, internship, missions and student projects carried out in partnership with companies all go on to make an active contribution to both innovation and economic development.

ADMINISTRATIVE FORMALITIES UPON ARRIVAL

Visa	No visa requirement for European students but Non-European students must obtain a visa to enter France. Get information on France visas' website.
French Translated Birth Certificate	Please bring an original birth certificate with you before coming to France as it will be requested by French administrations such as Prefecture, Social Security, CAF, etc… This document will need to be translated into French and the translation needs to be done by an official translator. If you translate the document in your country of origin, the only accepted translations are the ones from translators located inside French Consulates or Embassies. All other translations will be rejected by French administrations. You can also get a translation in France. Here is the list of official translators. It takes between 1 and 2 weeks to get your documents translated.
Personal liability Insurance	Must be valid on campus for the whole duration of student's stay at IMT-BS
Health Insurance	It is compulsory for all international students to be covered by Social Security. The CPAM (organism in charge of social security) will give you refunds on a part of your health expenses such as medical care, hospital or pharmacy for instance. › European Students have to request a EHIC - European Health Insurance Card before leaving their country. They will get refunds for their health expenses in France from their own country. › Non-European students have to subscribe an international health insurance before coming to France at least for their first month in France. As soon as they arrive in France, they must register online by filling out the form and uploading the requested documents. **Note**: students have to have a French bank account to be able to apply for Social Security.
Bank Account	Possibility of opening an account with one of our bank partners in Evry (optional)

STUDENTS WITH DISABILITIES

Institut Mines-Telecom Business School welcomes all students with the same degree of requirement and ambition. Since 2011, the campus infrastructure meets standards of accessibility, allowing students in situations of reduced mobility to move freely within the campus.
