

Norwegian University of Science and Technology

Trondheim/Gjøvik/Ålesund - Norway

Established in: 1910/1996

Number of students enrolled: 41 000

Website for incoming exchange students :

<https://www.ntnu.edu/studies/exchange>

Attractiveness of the country and city your university is located in:

- Trondheim voted best student city in Norway!
- A large number of student associations and sports clubs available for the students.
- Proximity to nature and outdoors activities and orientation week for international students (1500 autumn semester)

The strengths of academics at your university:

- A large number of courses in English within a wide range of subject areas
- Norway's largest university
- Key strategic research areas: Sustainability, energy, health and oceans

Available student life support during the exchange:

- International office – practical information
- [SIT](#) – Student Welfare Association (housing, cafeterias, counselling, training etc.)
- [Student guidance](#)
- [Student life information](#)

Opportunity of interaction with other students:

- International orientation week at the beginning of the semester with many social activities
- Student associations
- Volunteering at student festivals (UKA, ISFIT etc.)
