Attractiveness of the country and city your university is located in:

Tilburg is a small yet thriving cultural city with lots to do, no matter your interests. It is a true student city: 1 in 8 residents is a student!

Tilburg is located in close proximity to several exciting European destinations, including Amsterdam, Bruges, Berlin and Paris. Students can immerse themselves in a European cultural experience.

The strengths of academics at your university:

Exchange students can take courses in all of our faculties. We offer courses in a range of fields, including marketing, management, organization studies, liberal arts, culture studies, sociology, psychology and global law.

Students can enjoy a close academic relationship with their teachers, where they challenge and inspire each other. Tilburg University is ranked in the top 2% of universities in the world!

Available student life support during the exchange:

The Study Abroad & Exchange team is always the first point of contact if students need support during their exchange period. We organize registration days, an orientation program and a mentor program to help students settle into life in Tilburg. Students can also access our mental health & wellbeing services.

Opportunity of interaction with other students:

I*ESN is our organization for international students. They organize events to help international students meet with other international and Dutch students. We also offer 40 student associations, such as sports, politics, charity. They offer a great way for students to make friends with students with similar interests.
