Attractiveness of the country and city your university is located in:

University of Agder is located in the beautiful region of Southern Norway. This area of the country is unique as it boasts a glittering sea, rocky islands, charming coastal towns and cities that are the perfect size.

The strengths of academics at your university:

UiA seeks to be an open and inclusive university that is characterized by a culture of cooperation and aims to be on the cutting edge of innovation, education and research. They have courses in English in their many faculties: Health and Sport Sciences, Humanities and Education, Fine Arts, Social Sciences, Engineering and Science, School of Business and Law...

Available student life support during the exchange:

Students have the opportunity to benefit from the Buddy System, from the Erasmus Student Network (ESN). They will ensure that your arrival and stay are smooth and happy. Throughout the semester, they organise events (hikes, waffle hours, social events...). Students also have the opportunity to join societies related to their studies and faculty.

Opportunity of interaction with other students:

Students will be able to meet many fellow Exchange students during their stay: during the semester start, during the ESN activities, in the student accommodation, on their course...
