

UNIVERSITY OF WATERLOO, CANADA

Attractiveness of the country and city your university is located in:

Canada is celebrated for our commitment to peace, multiculturalism, and inclusivity. We offer a safe environment for you to pursue your studies and explore North America's attractions. At Waterloo, you have all the perks of a big city, with the charm and familiarity of a small town. Living in one of the world's top startup hubs gives you the scoop on new trends and technologies. Plus, you are only a short bus ride from Toronto, and Niagara Falls.

The strengths of academics at your university:

Our focus on strategic integration of teaching and academic excellence, experiential education, entrepreneurial spirit and impact-driven research makes the University of Waterloo one of the most relevant, connected and innovative institutions in the world. Our environment program offers integrated hands-on education supported by numerous field courses and access to a world-class ecology lab, a fully-outfitted workshop, multiple computer labs and multi-media resources. While the Faculty of Arts is home to the most diverse range of programs and research at Canada's most innovative university.

Available student life support during the exchange:

The University of Waterloo has multiple supports for students in order to be successful academically and mentally. We offer, counselling services, health services and a student medical clinic right on campus. As an exchange student you can also take advantage of services to help you adjust to Waterloo including, AccessAbility services, faculty and program specific advisors, tutoring and the Writing Center.

Opportunity of interaction with other students:

Stay active and meet other students with free fitness classes or join a club, with over 250 options there is sure to be a club for you. You can also join the International and Canadian Student Network (ICSN) which offers weekly events on-campus and monthly trips where you can explore some of the great attractions Ontario has to offer.
