## 2. Course Registration

### 2.1 Course Registration

- Course Registration involves not only carrying out the procedures for registering classes, but also making the decision regarding which classes you wish to take. It is the most important part of your academic planning, and it is necessary in taking classes, receiving credit and graduating. Upon completion, please make sure to save or print the Course Registration Confirmation Sheet which includes your "Registration No.," Without this number on the Course Registration Confirmation Sheet, we cannot respond to inquiries about system errors. Be sure to record the date the Course Registration Confirmation Sheet was printed/saved.

Please note that some subjects will not be available for you depending on your curriculum, semester of enrollment, etc. Please make sure that you refer to the Undergraduate Academic Handbook (p.108-112) and course syllabus for details.

### ■ English Subjects

- English courses (required subjects) are divided into A (4 credit) and B (2 credit) subjects, each graded according to its own evaluation criteria. Only once credits for both subjects have been completed can a student proceed to the next level.
- Until all required English courses for the language track are completed, the University will continue to automatically register and assign students to classes. When retaking the same course, a student will not necessarily be registered for the same instructor or class, and this registration may not be changed or cancelled.
