Analytics and Math Center (AMC)

- The Analytics and Math Center (AMC) opened in the AY 2017 fall semester to respond to the need for improved Math study support not only in class but also outside of class.
- The AMC offers support mainly for students taking four math courses: Fundamental Mathematics, Business Mathematics, Advanced Mathematics, and Statistics.
- Students meet one on one with our student tutors for individual tutoring, with the aim of improving their ability to “solve problems on their own.”
- Detailed information available on the Campus Website.
