TOUGH TIMES BRING OPPORTUNITY

Maki Nakamura

President, HAVI Supply Chain
Solution Japan G.K, Japan

“Tough Times Bring Opportunity” -
this is exactly what I have
experienced with COVID 19, which
unexpectedly promoted some of
the Diversity & Inclusion activities
of our company. At this occasion, I
would like to share specific
learnings, and if you could get any
tips to respond to the era of “With
Corona”, I would be grateful. ”
