

項目/Items	内容/Contents
開講年度 Year	2023
講義コード Subject Code	027014
科目ナンバー Course Number	[LIB]-[APU]-[100]
開講semester Semester	Fall Semester
講義名・クラス名 Subject / Class	Intercultural Fieldwork I
プログラム名 Program Name	FIRST
担当教員 Instructor	Toshiyasu TSURUHARA
実習地 Program Venue	Northern Kyushu
単位数 The number of credits	2
備考 Misc. Notes	
講義分野(講義内容に関するキーワード) Subject Field(Keywords related to lecture content)	Cross-cultural Communication, Multicultural Comparison
履修の目安 Recommended Qualifications / Knowledge	First-Year Students (who are in their 1st or 2nd semester). This program is designed for international students who are preferably enrolled in Japanese Foundation or Intermediate Japanese.
授業概要 Course Overview	This course is designed to help students develop their Japanese language skills by exploring Japanese culture and interacting with Japanese students/local residents. Throughout the process, students are expected to gain insights into Japanese ways of life, behaviours, attitude, and thoughts. Students are also expected to work collaboratively within a multicultural group, which is an essential skill in their APU life.
到達目標 Course Objectives	Standards for Course Completion: In order to successfully complete the course, students are required to fulfill ALL of the following points: 1) attend all sessions, including pre-program, field research (in-person or online), and post-program sessions 2) actively participate in group meetings, activities, and discussions while respecting others. 3) adhere to the university policies and regulations during field research to ensure students' safety and courtesy to interviewees 4) complete all the assignments, including written reports, group presentation(s), and a final reflection paper* *Group presentation and final reflection paper submission are required to pass this course.
授業方法 Teaching Methods	Lecture, discussions, group activities, field research, group presentations
毎回の授業の概要 Overview of Each Class	Pre-program Sessions 1 & 2 (November 1): course outline, grouping, individual and group learning objective, survey topics Pre-program Sessions 3 & 4 (November 8): Preparation for research (surveying methods, qualitative and quantitative research), conflict resolution workshop Pre-program Sessions 5 & 6 (November 15): Preparation for fieldwork (including research question and data collection methods), group presentation, final meeting before departure Field research in various parts of Kyushu (Data collection), (From November 25 to 28) Post-program Sessions 7-8 (November 29): Preparation for presentation (Data analysis and interpretation) Post-program Sessions 9-10 (December 13): Final Presentation, Reflection, Rwrap up *Content is subject to change without notice.
実習スケジュール Practice Schedule	Please refer to the application information.
授業外学習(予習・復習など)の内容と分量 Study Content and Load outside of Class (preparation and review)	You will have to meet your group mates to discuss research design and fieldwork outside of the class. You will also have to meet your group mates for reflection on each day and preparation for the next day during the fieldwork.
成績評価方法 Method of Grade Evaluation	Participation and engagement in the pre- and post-program sessions: 25 % Participation and engagement in field research (on-site interview activities): 25 % Final presentation (including peer evaluation): 25 % Final reflection paper: 25% *Final presentation and reflection paper submission is a must to pass this course. *Grading will be "P (Pass)" or "F (Fail)." Students must attend all of the sessions and field research activities to earn a "P" grade. Absences and/or tardiness to class will not be excused.
多文化協働学修の実践方法 Method of Implementing Multicultural Collaborative Learning	Students will learn how they can learn from cross-cultural communication for personal growth by communicating with people in the research area and sharing and discussing their personal observations and experiences with other students.
