Program Purpose and Overview

The APU Overseas Student Exchange Program enables students to spend either a semester or an academic year at one of APU's partner universities while paying APU tuition, and without paying any additional tuition fees. By taking curricular courses at partner universities, students not only improve their language abilities, but also deepen their knowledge and develop skills acquired at APU's respective colleges.

1. Application Requirements

Applicants must meet all of the following requirements:

- i. Language requirements
Applicants must meet the "Minimum Requirements for APU Internal Screening" indicated on the "2024 Spring University List."
- ii. GPA requirements (Semester GPA and Cumulative GPA)
Applicants must meet both of the following GPA requirements:
 - Semester GPA at the end of the 2022 Fall Semester must be 2.00 or above.
 - Cumulative GPA at the end of the 2022 Fall Semester must meet the "Minimum Requirements for APU Internal Screening" indicated on the "2024 Spring University List."
- iii. Applicants must be in or between their 2nd and 5th semesters at the time of applying.
 - 3rd-year transfer students are not eligible to apply.
 - 2nd-year transfer students can apply beginning in their 4th semester.
- iv. Applicants must not possess a passport for the country or region of the university they wish to apply to. If an applicant possesses a passport for the country or region of the university they wish to apply to, they must have received less than four years of education in that country or region from Junior High School onwards (beyond G7).
- v. On the date of the application deadline for the APU internal screening, applicants must have a status of "Enrolled," "Study Abroad," or "Leave of Absence," AND must not have a status of "Suspended."

2. Screening Criteria/Screening Methods/University Assignments

(1) Screening Criteria

We will conduct a comprehensive screening based on your academic record at APU, your English proficiency, and your reasons for applying. When considering your reasons for applying, the following three criteria will be considered:

- Must have a clearly defined study plan and purpose for undertaking overseas exchange
- Must possess the ability to adapt culturally and socially in your host country, as well as the psychological resolve to deal with and overcome problems that you may face during the program
- Must have a clear awareness of your future career plans

(2) Screening Methods

- Document-based screening (While you do not need to submit a copy of your APU transcript, the Academic Office will confirm your academic record at APU using our internal database.)
- Interviews will be conducted only as needed after the end of the document screening period.

(3) University Assignments

In principle, we will consider your application based on the university choices (1 to 3) you indicate in the application. We strongly recommend that you list three preferences, using the "level of competitiveness" and other information from previous recruitment periods as a reference. In the event that the list of recruiting universities changes, we will

inform you through Campus Terminal.

3. Conditional Acceptance

A status of “Conditional Acceptance” will be assigned to applicants who meet either of the following criteria:

A - Pass APU’s internal screening without fulfilling the “Language Requirements at the Time of Applying to Host University” indicated on the “2024 Spring University List.”

B - Pass APU’s internal screening with English proficiency scores which will expire by the host university’s application deadline indicated on the “2024 Spring University List.” (If accepted to a host university which does not require the submission of language scores, a student will be fully accepted rather than conditionally accepted, even if they applied to the APU internal screening with expired scores.)

C - Pass APU’s internal screening with a GSE score from APU classes

Applicants assigned a status of “Conditional Acceptance” must submit a valid English score that fulfills the “language requirements at the time of applying to host university” by the “Final Score Submission Deadline.” If a student is not able to submit a valid English score by the deadline, their acceptance will be revoked and they will not be able to participate in the student exchange program.

*Final Score Submission Deadline: one week before the “Nomination Deadline” indicated on the “2024 Spring University List.”

4. Post-Screening Schedule/Procedures/Revocation of Acceptance

(1) Post-Screening Schedule/Procedures

Acceptance — January 2024	Guidance sessions for participants (a total of six mandatory sessions) Submission of pledge etc. to APU, insurance procedures, vaccinations, application to the host university, visa application, travel arrangements etc.

2. If their semester GPA falls below 2.00 at the end of the AY 2023 Spring Semester.
3. Failure to meet the cumulative GPA requirements at the time of applying to host university at the end of the AY 2023 Spring Semester.
4. If the host university’s application requirements change after the APU internal screening, and the student does not meet the new requirements
5. Failure to obtain the required visa to go on exchange before the specified date*.

*Specified date: Seven days prior to the start of the AY 2024 Spring Semester Course Registration Period A.

5. Exchange Period/Student Status at APU while on Exchange

(1) Program Period: One semester (2024 Spring) or one year (2024 Spring – 2024 Fall)

- Some host universities only accept students for either a one-semester program or a one-year program. Please refer to the “2024 Spring University List” for more details.
- Students on a one-year exchange program can participate in semesters spanning an academic year. For example,

students on a one-year program can go during the latter half of their second year (4th semester) and the first half of their third year (5th semester).

- It is not possible for students to extend their exchange period or defer their exchange to the next semester due to personal circumstances.

(2) Student Status at APU while on Exchange

- Regardless of the host institution’s academic calendar, a student’s status at APU is set according to the following dates:

Spring Semester: April 1st – September 20th

Fall Semester: September 21st – March 31st

- A student’s status can only be changed from “enrolled” to “Study Abroad ” on a semester basis.
- Students cannot register for APU courses while their student status is “Study Abroad.”
- Students cannot register for session courses or courses offered through The Open University of Japan while their student status is “Study Abroad.”
- The actual start and end dates of your program may differ depending on the host university’s academic calendar.

Your status will be set as “enrolled” starting in the Fall Semester. However, you cannot register for courses offered in the 1st Quarter Fall Semester, or for semester-based courses.

6. Credit Transfer/Academics During and After the Program

(1) Credit Transfer

- Students can transfer a maximum of 60 credits from credit-transferrable programs while enrolled and this includes credits earned at their host university through exchange.
- Students can transfer only credits for subjects offered as part of the regular curriculum at their host university.
- To transfer credits from subjects taken at their host university, students must apply to have these subjects screened. Applications are screened by the two colleges and Academic Affairs to evaluate if credits can be transferred. If transfer of credits is deemed possible, students must submit a Credit Transfer Request, host university transcript(s), and other required documents to finalize the credit transfer.
- It is not possible to transfer credits for subjects with no relation with the APU curriculum (e.g. sports / art courses).
- If a host university subject is transferred under the name of a specific APU subject, it is no longer possible to register for that subject at APU.
- Credits transferred from subjects taken at the host university will be listed as "T" (transfer) on the students' academic transcript.

Important Notes

APM

We highly recommend that APM applicants choose a university accredited by AACSB, EQUIS, or EPAS.

If you choose a university without any of these accreditations, major subjects at your host university may not necessarily transfer back as APM major education subjects. That said, there may still be cases in which subjects taken at an accredited university cannot transfer back as APM major subjects.

APS

If courses taken by APS students are deemed eligible for transfer as APS major education subjects, students may receive a maximum of 10 credits toward any of the four areas of study.

*Further information regarding credit transfer will be provided after your acceptance to a Student Exchange Program.

(2) Academics During and After the Program

Your study plan, including your study plan during your time abroad, is very important in determining the timing of your graduation from APU. You may not be able to graduate on time if your study plan is poorly thought out. Before going on exchange, you should develop a detailed study plan based on the number of credits you have obtained and the requirements of your affiliated college's curriculum.

(3) Language Education Subject Exemption (English/Japanese/ AP Language Subjects)

Students may be able to receive an exemption from mandatory Japanese/English/AP language subjects if they meet the appropriate requirements while abroad. Students must apply for the exemption before returning to study at APU the following semester. Requirements will differ depending on your curriculum year and language basis. For further details, please refer to the Undergraduate Academic Handbook. Should you have any inquiries regarding Language Education Subject Exemptions, please contact cleac@apu.ac.jp

Items Common to All Programs

1. Visa

It is the student's responsibility to verify the visa(s) that will be required from departure through return home and then to apply. The visa(s) required will differ depending on the student's nationality, the country/region of dispatch, and the length of stay. Students should check the website for each embassy to confirm the visa required (including transit visas) and the documents required. Further, because visa application requirements can change without notice, please be sure you have the most recent information in hand. For those getting a "Visa On Arrival" (also: "On-Arrival Visa"), according to the regulations of the country issuing the visa, generally speaking such visas are not recognized except in cases when a visa cannot be obtained prior to traveling.

In the unlikely event that you are unable to obtain your visa, your dispatch/study abroad program will be canceled. Also, the dispatch/start date of your study abroad program will not be changed.

In that event, the participant will bear the cost of any cancellation fees. Cancellation fees to be borne and grades will be handled in accordance with the " Disclaimers and Notices " .

[International Students Only]

International students should review the renewal date for their Japanese residence permit and permission for reentry in addition to the visa requirements for the country where their program will be run. If there is anything you don't understand regarding the renewal date for your residence permit or permission for reentry, please check with the Student Office.

Note: Depending on the program, there are cases when your visa application will be handled by an agency. Please confirm the details with the program coordinator.

2. Insurance

Including cases where students have already individually taken out an insurance policy, program participants must take out domestic and overseas travel insurance as designated by APU and the host institution, join the Risk Management System, and so on. Details on taking out these insurance policies will be provided in the pre-program classes and at the guidance session for participants.

3. Vaccinations

The APU Health Clinic will provide information on the types of vaccinations it recommends at the pre-program classes and the guidance session for participants. Because the vaccinations recommended by the Health Clinic are not mandatory, each student should decide for themselves about whether to get the vaccination(s) or not. Students wishing to get the vaccination(s) should contact the health clinic and make an appointment for themselves.

Please note that some vaccinations may be mandatory depending on the dispatch destination, so please follow the instructions given during the guidance session.

4. Program Cancellation or Change of Program Contents, Cancellation of Participation

① The Dean of Academic Affairs will make the decision to cancel student dispatch if the following conditions are met:

- 1) In the event the Ministry of Foreign Affairs' "Travel Advise" is level 2 or above for the country or region of dispatch. However, if a "Warning on Infectious Diseases" is issued due to the spread of a new disease, etc., a decision will be made according to the situation.
- 2) In the event a program cannot be operated safely in view of social conditions.
- 2-1) When making the decision to cancel a program, we take into consideration the projection that any of the following will occur in the program destination: natural disasters; accidents; strikes; infectious disease; political unrest in the program country or region; disruptions to the normal operation of public transportation or medical services; war; terrorism; injury to, or sudden hospitalization of faculty coordinators; inadequate support for outgoing students from the host institution in the event of a crisis; or other unforeseen circumstances.
- 3) In the event a host institution decides to cancel acceptance of students from APU which involves overseas travel

② In the event any of the following apply, a participant's participation in a program may be cancelled even after the announcement of acceptance. Further, with the exception of Overseas Student Exchange Program, Double Degree Program, and Short-Term Summer/Winter Program, in the event a participant's participation in a program is cancelled, as a rule a grade of "F" will be assigned.

- A) In the event a participant's course participation is judged inappropriate, taking into consideration the participant's behavior and attendance
- B) In the event the participant becomes subject to disciplinary action after the announcement of

screening results

- C) In the event the designated overseas travel and accident insurance is not taken out, and/or in the event that university instructions concerning the submission of documents, attendance at required guidance sessions, etc. are not followed
- D) In the event that the university determines study abroad is not suitable due to injury, illness, etc.
- E) In the event of misconduct
- F) In the event of other violations of the participant's duty as a student

- ③ The student will be required to pay for costs already incurred at the point in time when their program participation is canceled.

5. Withdrawal After the Announcement of Screening Results

The university undertakes screening on the assumption that, at the time of application, everyone who applies to a program wishes to participate. Therefore, as a general rule, withdrawal after the announcement of screening results is not permitted.

When applying, students should carefully review the program contents in advance and make their preparations assuming they will not withdraw. Furthermore, if a student fails to pay the cost set by the university by the deadline, this will be treated as a withdrawal. Please see Item **"6. Cancellation Fees"** below regarding cancellation fees.

In the case of credit-granting programs, as a general rule, students who withdraw will be assigned a grade of "F".

6. Cancellation Fees

In cases where a participant is forced to withdraw after announcement of the screening results, the withdrawing student must pay costs incurred up until that point in time. The cancellation fee also includes bank fees (overseas wire fees, etc.).

In the case that the costs required by the program have already been remitted to the university, the cancellation fees will be deducted and the difference will be refunded. The refund procedures require a certain amount of time.

7. Registration Plan

Students should thoroughly review their registration plan and number of credits to be earned through the program and confirm that this plan will not cause any problems with their registration plan for graduation. No special consideration will be given in the event that problems are identified after the screening results have been announced and also that an item listed in **"4. Program Cancellation or Change of Program Contents, Cancellation of Participation"** has arisen. Students should assume personal responsibility when applying to any program.

Note: It is not possible to participate multiple times in a program having the same lecture content.

If it is not clear whether or not the program you wish to apply for has the same content as a program you have already completed, please inquire with the Academic Office before applying.

8. Handling of Personal Information

Please refer to the pledge that will be sent to successful applicants for details.

9. On Participating in a Program

- ① Whether or not a program experience is rewarding depends greatly on the attitude and effort of the participants themselves. Participants need to have the flexibility to accept the different cultures found abroad and a positive attitude towards learning. Each participant should firmly set goals for participating in the program. Further, attendance at the guidance session and the pre-/post-classes held before and after dispatch is mandatory. Absences without notice are not permitted. Also, students should be sure to submit all documents and assignments by their deadlines.
- ② During program participation, participants should comply with the "Off-Campus Study Programs Requirements for Participation (Pledge)" and the "Risk Management Guidelines for Off-campus Study Programs Participants".
