

## [APM 2017 Curriculum Students]

### How to Check your Credit Completion Status for Subjects Assigned to Each Area of Study

- Your Area of Study registration will be reflected in the "Registration Status" column.
- This table shows your completed and registered credits for all Areas of Study.
- The following example is for someone who has registered Marketing as their Area of Study.
  - Check the rows marked as "Marketing".

(Example)  
Registered Area of Study: Marketing

If you earn 12 credits for Marketing Major Education Subjects and none of them are Seminar Subjects, 8 of the credits will count towards "Lecture Subjects", and the remaining 4 credits will count towards "Lecture or Seminar Subjects"

Your Area of Study  
"Registration Status"  
will be shown here.

#### Area of study Confirmation TIPS

| Area of Study/Specialization          | Required | Completed | Registered | Total Credits | Registration Status |
|---------------------------------------|----------|-----------|------------|---------------|---------------------|
| Accounting and Finance                | -        | -         | -          | -             | -                   |
| Lecture Subjects                      | 8        | 6         | 0          | 6             |                     |
| Lecture or Seminar Subjects           | 4        | 0         | 0          | 0             |                     |
| Marketing                             | -        | -         | -          | -             | Registered          |
| Lecture Subjects                      | 8        | 8         | 0          | 8             |                     |
| Lecture or Seminar Subjects           | 4        | 4         | 0          | 4             |                     |
| Strategic Management and Organization | -        | -         | -          | -             | -                   |
| Lecture Subjects                      | 8        | 8         | 0          | 8             |                     |
| Lecture or Seminar Subjects           | 4        | 4         | 0          | 4             |                     |
| Innovation and Economics              | -        | -         | -          | -             | -                   |
| Lecture Subjects                      | 8        | 8         | 0          | 8             |                     |
| Lecture or Seminar Subjects           | 4        | 6         | 0          | 6             |                     |

2023 curriculum APM students: Please check your registered Area of Study on the APM Area of Study page on the Academic Office website.
