- **Changes from the previous system (Campusmate)**

1. The subject field “Language Education Subjects & Common Liberal Arts Subjects” has been removed.

The credits completed under “<Language Education Subjects>” and “<Common Liberal Arts Subjects>” have been grouped together and are counted toward “■Common Education Subjects.”

2. The Credit Completion table (shown below) is organized based on the [[APM 2023 Curriculum Outline](#)].

- **The following is only applicable for Accelerated Graduation Program Students:**

To meet your graduation requirements, at least **20 credits** in the **Opposite-Language** to your enrollment basis language must be earned in either: <Common Liberal Arts Subjects>, or ■Major Education Subjects.

Credit Completion Status (Main Curriculum)

Key Points When Checking:

Each subject field is categorized by level.

Credits completed in lower-level subject fields are also counted toward the upper-level fields.

Level 1: ■

Level 2: < >

Level 3: •

Level 4: —

Key Point 1

The total number of credits required for graduation is **124 credits**.Out of 124 credits, **102 credits** must be earned from:■ Common Education Subjects (**40 credits**) and■ Major Education Subjects (**62 credits**).

The remaining 22 credits are not restricted to any specific subject field.

You may freely complete the credits from subject fields of interest.

$$124 \text{ credits} - 102 \text{ credits} = 22 \text{ credits}$$

The subject fields for the remaining 22 credits are not specified.

When beginning from

Foundation Japanese III:

Subject Field	Required	Completed	Com(*OL)	Registered	Reg(*OL)

[Total (Credits Not Applied to Graduation)]					

Key Point 5**① — Required_Introduction to Major Studies Subjects****Required Credits: 4**

- Statistics
- Introduction to Economics

Key Point 3

Japanese Language Education is required up to the intermediate level.

Your starting level and required credits will vary depending on your placement test results and any exemption requests submitted during your enrollment.

Key Point 4**② — Elective Required_[Math] Introduction to Major Studies Subjects****Required Credits: 2**

- Fundamental Mathematics
- Advanced Mathematics

If the number of credits you complete under “— Elective Required_[Math] Introduction to Major Studies Subjects” exceeds the required number of credits for the subject field:

The excess credits will be counted toward “• Introduction to Major Studies Subjects” and “<Common Liberal Arts Subjects>.”

Key Point 6**③ <Required Subjects>****Required Credits: 18**

*The University will register students for the listed courses in their language basis until the required credits are completed.

• Introduction to Management	• Production and Operations Management
• Accounting I	• Legal Strategy in Business
• Introduction to Marketing	• Business Ethics and Social Responsibility
• Finance	• Global Management (Capstone)
• Organizational Behavior	

• APM Areas of Study

APM offers four Areas of Study. You may register up to two in total, a Major and Minor.

If you complete the required number of credits for your selected Major and Minor, the corresponding Area(s) of Study will be printed on your Diploma.

*If you do not register an Area of Study, only "Bachelor of Business Administration" will be shown.
