(Example)

Students starting from Foundation Japanese II

* The number of "Required" credits and "Required (adjusted)" credits will differ depending on the student's enrollment language or their starting level for Japanese courses.

*D

If a student is exempted from some required Japanese Language Subjects (①) based on the placement test etc., they must earn the same amount of credits for the "⑤ Language Education and/or Common Liberal Arts Subjects" field instead.

*E

The number of credits required for graduation. The total number of required credits for all specified fields is 102. Please earn the remaining 22 required credits in the fields you are interested in.

*F

Completed Credits. The number of credits in ①②③④⑥ cannot exceed the number shown in "Required (adjusted)". (See *A, B, C)

*A

The credits earned for the required subjects "Introduction to Economics" and "Statistics" will be counted under "② Required Common Liberal Arts Subjects".

*B

If a student completes both "Fundamental Mathematics" and "Advanced Mathematics", 2 of the 4 credits will be counted under "③ Required Common Liberal Arts Subjects (Mathematics)" and the remaining 2 credits will be counted under "④ Common Liberal Arts Subjects"

*C

If the number of completed credits for "④ Common Liberal Arts Subjects" exceeds 10 credits, then the surplus credits will be counted under "⑤ Language Education and/or Common Liberal Arts Subjects".
