• Seminar Subjects					
<APS Common Subjects A>					
■ Other College Major Education Subjects					
【Total (Credits Not Applied to Graduation)】					

After choosing an Area of Study:  
(E.g. Environment and Development)

	<Common Liberal Arts Subjects>	16	20	2	2	
	• APU Literacy Subjects		4			
	• Global Citizens Foundation Subjects		8	2	2	
①	—[ED]Elective Required_Global Citizens Foundat	2				
	• Response to Social Needs Subjects		8			
	■ Major Education Subjects	62	12			
	<Core Subjects>		2			
②	<Environment & Development(ED)>	28				
	• APS Common Subjects B					
	• Seminar Subjects					
③	<APS Major Education Subjects(HT,IRP,CSM)>		10			
	<APS Common Subjects A>					

The fields indicated above (①, ②, and ③) will differ based on your registered Area of Study.

- To fulfill the “—[ ]Elective Required\_Global Citizens Foundation Subjects” field, you must complete at least 2 credits from Common Liberal Arts Subjects (Global Citizens Foundation) designated for your registered Area of Study.
- Out of the 62 required credits in ■ Major Education Subjects, you must complete at least **28 credits** in Major Education Subjects designated for your registered Area of Study.
- The remaining **34 credits** (62 credits – 28 credits) may be taken freely from Major Education Subjects offered under any of the four Areas of Study (CSM, ED, HT, IRP).
- Credits completed from Major Education Subjects under an Area of Study you are not registered for will be counted toward “<APS Major Education Subjects(\_\_\_\_,\_\_\_\_,\_\_\_\_)>.”
- For a list of all APS Major Education Subjects designated for each Area of Study, please refer to the 2017 Curriculum Outline and the 2017 Curriculum Subject List.

## Sample: AY 2017 Curriculum APS Students (English-basis)

**Key Points When Checking:**

Each subject field is categorized by level.

Credits completed in lower-level subject fields are also counted toward the upper-level fields.

Level 1: ■

Level 2: &lt; &gt;

Level 3: •

Level 4: —

**Key Point 1**The total number of credits required for graduation is **124 credits**.Out of 124 credits, **102 credits** must be earned from:■ Common Education Subjects (**40 credits**) and■ Major Education Subjects (**62 credits**).

The remaining 22 credits are not restricted to any specific subject field.

You may freely complete the credits from subject fields of interest.

$$124 \text{ credits} - 102 \text{ credits} = 22 \text{ credits}$$

The subject fields for the remaining 22 credits are not specified.

When beginning from  
Foundation Japanese I:

Subject Field	Required	Completed	Com(*OL)	Registered	Reg(*OL)
【Total (Credits Applied to Graduation)】	124	52	2	2	
■ Common Education Subjects	40	40	2	2

**Key Point 3**

Japanese Language Education is required up to the intermediate level. Your starting level and required credits will vary depending on your placement test results and any exemption requests submitted during your enrollment.

**Key Point 4**

If the number of credits you earn from "—[CSM/GE/IR] Elective Required\_Global Citizens Foundation Subjects" exceeds the required credits for each subject field, the excess credits will be counted toward:

- Global Citizens Foundation Subjects and <Common Liberal Arts Subjects>.

**Key Point 5**

Credits earned in the following subject fields will also be counted toward the <Registered Area of Study ( )> field:

- APS Common Subjects B
- Seminar Subjects

**Key Point 6**

The fields indicated above (① and ②) will differ based on your registered Area of Study.

- You must complete at least 28 credits in Major Education Subjects designated for your registered Area of Study
- Credits completed from Major Education subjects under an Area of Study you are not registered for will be counted toward "APS Major Education Subjects ( , , )."
