

Applications for the Accelerated Graduation Program, AY 2023 Fall Semester

July 2023, Academic Office

1. What is the APU Accelerated Graduation Program?

APU offers an accelerated graduation program that enables students to graduate in a shorter period of time: three years or three years and one semester. This course is designed to encourage the academic efforts of ambitious students who wish to graduate early, while at the same time fulfilling their various coursework needs at APU.

Students who aim for early graduation must register for the Accelerated Graduation Program, proceed with taking extra classes, and fulfill specific requirements. Furthermore, each student must have a clear image in their minds of their future plans and be ready to make continuous efforts to achieve those goals.

Once you have been accepted for the Accelerated Graduation Program the maximum number of credits you can register each semester will increase. Even second-year students will be able to register for the subjects available from five semester or higher (with some exceptions). Students who wish to take subjects in their non-basis language must fulfill the designated language requirements for the curriculum.

●Registration

Transfer students from a non-4 year universities and 3rd year transfer students are not eligible to register for the Accelerated Graduation Program.

●International and Domestic Student Exchange Programs

Students who are thinking of applying for international (overseas partner universities) or domestic (Ritsumeikan University, AIU, etc.) Student Exchange Programs should consult with the APU Student Exchange Coordinator regarding whether or not they can do both before submitting an application for the Accelerated Graduation Program. * [You may not participate in a Student Exchange Program in your final semester.](#)

2. AY 2023 Fall Semester Application and Selection Procedures

5. 【For APS students】 Registration of an Area of Study

AY 2017 Curriculum APS students must have completed registration of an Area of Study to apply for this program. In the application form, “Application for APU Accelerated Graduation Program from AY 2023 Fall Semester,” there is a column titled “Area of Study”. If you have already registered your area of study, please check the area you have registered. If you have not yet registered, please choose the area you wish to register. After you submit this application, your area of study will be registered automatically. You must register for an Area of Study in order to apply for this program.

Even if you register an Area of Study, it is still possible to change your Area of Study during specific registration periods. Please refer to the following website for more details.

Area of Study: https://en.apu.ac.jp/academic/aps/graduation_requirements/

6. 【For APM students】 Automatic Registration of Required Subjects

Please note that “Global Management (Capstone)” will be automatically registered during your 6th semester regardless of your projected Graduation date. Other subjects will be automatically registered in the same semester as the students who are not in this program.

7. Graduation Selection Period Survey Application

To ensure students graduate by their 6th or 7th semester, all students in the “Accelerated Graduation Program” must fill out a “Graduation Selection Period Application” every semester. It is necessary for all students registered to the “Accelerated Graduation Program” to select a Graduation Selection Period through this application. Surveys will be distributed through Action Required messages on the Campus Terminal at the following periods.

Spring Semester: Mid-July

Fall Semester: Mid-January

8. Eligibility to Graduate

Students registered for the Accelerated Graduation Program, will be asked to complete a survey each semester to confirm their intended semester of graduation. Students are required to notify the University of the Semester they intend to graduate by filling out the survey. Students will be able to graduate early if they have fulfilled the following conditions and passed an interview.

Eligibility Requirements

- * Submission of the “Graduation Selection Period Application” during the semester prior to the semester they intend to graduate.
- * Completion of at least 124 credits in the requisite fields
- * Cumulative GPA of 3.20 or higher
- * Completion of at least 20 credits of Lecture/Seminar subjects held in non-basis language (excluding J/E classes and language subjects)
- * Must have passing marks for the accelerated graduation assessment interview taken during their intended semester of graduation and be deemed suitable for accelerated graduation.

*Students will not be able to graduate in their 6th or 7th semester if they do not fulfill all of the above requirements. If you do not fulfill the requirements, you will only be permitted to graduate after your 8th semester like other regular students.

***Announcement of Graduation Results**

Results will be announced on the same date that graduation announcements are made in the student’s 6th or 7th semester.

9. Seminar Courses

Students registered for the Accelerated Graduation Program differ in how they approach their seminar courses (3rd & 4th year seminars) compared to regular students. Especially for students intending on graduating in their 6th semester, the year starting from their 5th semester must be spent writing and completing their undergraduate theses.

For those students who are intending on registering for a seminar courses, please refer to the Academic Office Website and check the Seminar Courses page for details. Also, make sure to work with an instructor in charge to get advice and help in organizing an appropriate study plan for yourself.

10. International Student Residency Status

Please note that Accelerated Graduation Program students can only extend their student visas until the end of their 6th or 7th semester.

※ If you have any questions regarding your residency status, please consult with the Student Office.

11. Withdrawal from the Accelerated Graduation Program

Once students are registered for the Accelerated Graduation Program, students are not allowed to withdraw from the program for any reason.

Registration will be revoked if a student does not meet the necessary conditions at the rescreening at the end of their 4th semester, or if they do not pass the Accelerated Graduation Assessment at the end of their 7th semester.
