

Instructions for Application survey

Applications must be completed through the application survey. Please read the below instructions carefully.

1. Application preparation

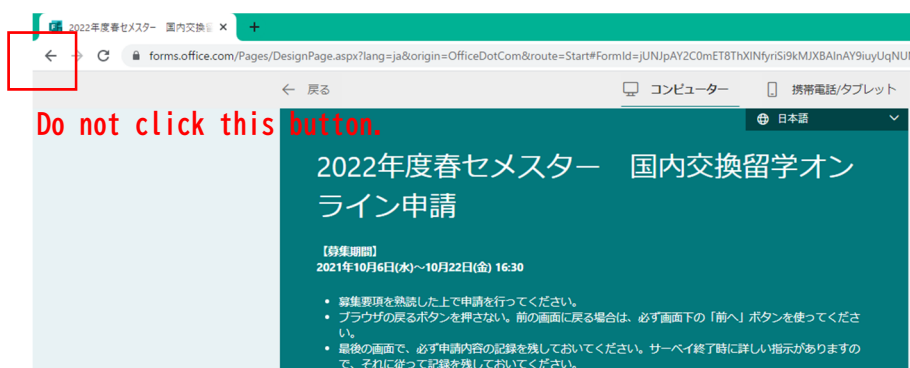

The following is required during the application process. Please prepare accordingly before starting the application process.

| | |
|--|---|
| Resident Card Information (for non-Japanese students only) | Date of expiration is required |
| Your photograph (Full face, frontal view) | Your photograph is required. The file name must match this format: "Your Name_photo" E. g. RITSUMEI Hanako_photo.jpg |
| English test score | Certificate of English test score which meets the requirements is required. The file name must match this format: "Your Name_score." E. g. RITSUMEI Hanako_score.jpg |
| Statement of Financial Support | You need to download the statement of financial support from the webpage of the domestic student exchange program. Please ask your sponsor to sign it, as well as sign it yourself before submitting the form. Please plan ahead for this form. |
| Application Essay | As you will be asked to write up to 300 words, it is highly recommended to prepare an essay before you start your application. |

| | |
|-------------------|--|
| Preferred Subject | Preferred Subjects will be asked. It is highly recommended to check the partner university's website for subjects and syllabi before you start your application. |
|-------------------|--|

2. Important Notes

- ① Do not click the browser's back button. Use the "Previous" button on the bottom of the screen to go back to the previous screen.

- ② After submission, you will receive a "confirmation of application" by APU email. Please save this email, just in the case.
