

AY 2021 Fall Semester Language Class Implementation Formats

In the AY 2021 fall semester, language classes will be implemented in many formats as shown below.

It is possible the format of each class will change based on the COVID-19 situation, immigration restrictions, and so on, so please be sure to check your own class format before the start of course registration / before the start of class.

Class Format	Content
1. On-Campus 	<p>All classes in this course are held on-campus, so please come to the classroom for class. This course cannot be taken online. However, based on the COVID-19 situation it is possible the course may be moved online mid-semester.</p>
2. Online(Zoom) 	<p>All classes in this course are held online, so the course cannot be taken in the classroom. However if the COVID-19 situation improves to the level that all students in the class are able to take class in the classroom, it is possible the course may become on-campus mid-semester.</p>
3. Hybrid 	<p>In principle the course should be taken on -campus, but it is also possible to take the course online. However, based on the COVID-19 situation and the ability of all students in the course to come to Japan, it is possible that the course may change formats to on-campus/online mid-semester.</p>
