# Safe Exam Browser (SEB)

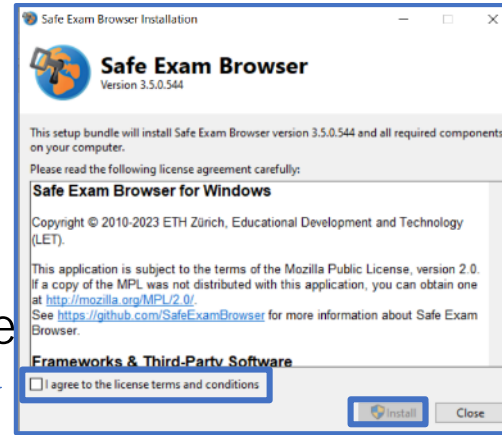

## ■ Browser to Use for Moodle

- When taking Moodle tests in class, you will be asked to install this app.
- 
- If a “Safe Exam Browser” notification appears at the time of an in-class test, please make sure **to install and finish setting it up before taking the test.**
- 
- **When using SEB with personal devices (BYOD), please be careful of the following:**
    - **Regardless of the device, keyboard input will be set to English.**
      - The alphabet is the same, but symbol input will be different (such as “@”, “( )”, “:”, “;”, etc.).
    - Smartphones and tablets cannot use or install this app.
    - If you have issues using SEB on your own device, please use the [rental PC locker on the 3<sup>rd</sup> floor of Building D.](#)
    - Regarding SEB details and bugs, please refer to the [application developer company’s webpage.](#)
