About Forums

- What can you do with forums? (Ex.)
  - Web bulletin board for your class
  - Share announcements (Course News)
  - Have a Q&A corner   etc.

See page 6 for more information about Announcements

There are 2 types of forums. Please select the correct function as directed by your teacher.

LA

In some cases a rating scale will be shown under the post, and you can select your rating

You will not be able to see how other students rated the post

About Announcements

- Announcements
  - The instructor or TAs can announce news
  - Examples of announcements
    - Sharing info about assignments or deadlines
    - Classroom changes, class cancellations
    - Overall class feedback   etc.
 - Unlike regular forums, you cannot reply to posts

Search for posts or threads

You can click the title to see the detailed announcement

Star the post to add it to your favorites list

You can access "Announcements" from the course page
