Copy the contents to other course

The screenshot shows the APU Manaba Course interface. At the top left is the APU logo with the tagline 'Shape your world Ritsumeikan Asia Pacific University'. The top right shows the date '2021-05-10 (Mon)', the user name 'TAKEDA SATORU', and links for 'Settings' and 'Logout'. Below the header is a navigation bar with 'My Page', 'Courses', and 'Library' tabs. The 'Library' tab is active, showing 'TAKEDA SATORU's Library' and a 'Contents' button. The main content area is titled 'Copy Contents of a Course to Another Course' and contains three numbered steps:

- 1 Please select the contents you would like to copy.
[> Specify Contents](#)
- 2 Please select the destination course for contents to be copied to.
Go to the destination course and make sure that the course information such as the year of the course is correct. Should there be no problem, please click the "Select" button.
- 3 Please click "Start Copying".
* Depending on the volume of data, it may take some time to complete the process.

Below the steps is a section titled 'Previous Copy' with a 'Data' sub-section. Under 'Data', there is a 'Resources' section with a diamond icon. The text below reads: 'The following data has been copied from Pre-APU Camp2021 TS to Test'. Below this text is a document icon followed by the text 'TSハンドブック、マニュアル'. A red box highlights this entire section. At the bottom right of the page is a link '> Library'.

Copy the contents to other course

When the copy is complete, you will receive an email like the one on the right.
