

MEET THE SPEAKER

ATSUKO MURAKAMI

Executive Officer, H.U. Group Holdings, Inc.
Former SVP, Sony Corporation

“

I have been working in Japanese companies for many years, and during that time, the environment for women to flourish has been gradually improved. In addition, such changes as remote work that started as measures to prevent the spread of coronavirus are becoming implemented in many companies, and there would be no turning back. Let's consider together how women build their careers.
