

**Message from the APU President to the victims and those whose lives were affected by  
the earthquake in the Noto Region on January 1<sup>st</sup>, 2024**

We express our heartfelt condolences to those who lost their lives due to the large-scale earthquake originating in the Noto region. Our thoughts are with those who have been affected by the disaster. Aftershocks continue in the affected areas, and we sincerely pray for the safety of everyone in the affected regions and for a swift recovery and reconstruction.

Please feel free to consult with the Student Office if you, as an APU student, face difficulties or have concerns about your academic life due to the Noto Peninsula earthquake.
