

To the Victims of the Earthquake in Morocco and the Flooding in Libya, as well as Members of the APU Community

We extend our heartfelt condolences to all the victims of the devastating earthquake in Morocco and the flooding in Libya. Our thoughts and prayers are with you during this challenging time, and we hope for a swift recovery.

Libyan nationals have not been enrolled at APU to date. We have confirmed the safety of Moroccan nationals who are applicants, currently enrolled students, alumni and their families.

In light of the recent disasters, we have established a support hotline for APU applicants, current students, and alumni. If you have any concerns or are facing difficulties, please do not hesitate to reach out for assistance at any time.
