- 1) Common Education Subjects—Language Education Subjects: Table 1 (1) [1]
- 2) Common Education Subjects—Common Liberal Arts Subjects: Table 1 (1) [2]
- 3) Major Education Subjects: Table 1 (2)

## **Subjects That May Be Taken More Than Once**

### **Article 5-2**

Subjects that are identical to other subjects for which credits have already been earned may not be repeated.

2 Notwithstanding the preceding paragraph, subjects listed in the Tables below may be taken more than once, even if they have the same subject name, provided that they have different themes. However, the number of credits which can be included in the number required for graduation are limited to the number that would be obtained from taking the subject only once, no matter how many times it is taken.

- (1) Major Seminar in MM (Marketing and Strategic Management and Leadership): 4 credits
- (2) Major Seminar in AF (Accounting and Finance): 4 credits
- (3) Major Seminar in EOM (Entrepreneurship and Operations Management): 4 credits
- (4) Business Internship: 8 credits

## **Required Credits for Graduation**

### **Article 6**

The minimum number of credits required for graduation is 124, including credits from subjects designated as “Required” under Subject Type (Required/Elective/Optional) in the Table 1 below. However, credits from Optional Subjects cannot be included in the minimum.

2 Students must complete at least 40 credits of Common Education Subjects together with Language Education Subjects, including at least 16 credits of Common Liberal Arts Subjects which must include either Fundamental Mathematics or Advanced Mathematics.

- 3 Students must complete at least 62 credits of Major Education Subjects.
- 4 Enrollment in Language Education Subjects which are also Common Education Subjects shall be as follows:
- 1) Japanese-basis Standard Track: English Standard Track subjects listed in Table 1 (1) [1]
  - 2) Japanese-basis Advanced Track: English Advanced Track subjects listed in Table 1 (1) [1]
  - 3) English-basis: Japanese subjects listed in Table 1 (1) [1]
- 5 Notwithstanding the provisions of the preceding paragraph, students who have satisfied the criteria by taking a prescribed examination may take other Common Education Subjects in lieu of subjects designated as “Required” under Subject Type (Required/Elective/Optional) in Table 1.
- 6 Students falling under Paragraph 4, Items 1 or 2 whose residential status in Japan is not “student” as stipulated by the Immigration Control and Refugee Recognition Act must complete a combined 20 credits or more of Common Liberal Arts Subjects and Major Education Subjects in English.
- 7 Notwithstanding the provisions of Paragraph 1, up to 22 credits earned from Major Education Subjects taken in the other College can be included in the credits required for graduation.

### **Methods for Taking Subjects**

#### **Article 6-2**

Students in the College of International Management must take the subjects specified in Table 3. However, this does not apply to 2nd year transfer students and 3rd year transfer students.

2 Subjects requiring the acquisition of credits from other subjects as a requirement for registration are listed in Table 4 (1).

3 Subjects requiring the lack of acquisition of credits from other subjects as a requirement for registration are listed in Table 4 (2).

### **Curriculum Applicability**

#### **Article 6-3**

The subject type, number of credits, course completion method, number of credits required for graduation, credit assessment, etc. (hereinafter referred to as “curriculum”) applicable to the student at the moment of enrollment, will remain the same until graduation.

2. The curriculum assigned a transfer student or a readmitted student will be that of other students in the same semester.

3 The curriculum assigned to students transferring colleges within the university will be that of other students in the same semester.

### **Regulations for Amendments and Deletions**
