Notes:

- As a general rule, enter data at the department level for colleges, and the major level for the graduate schools.
- Colored cells contain formulas and need not be completed.
- The entries under "Type of Entrance Exam" in the table above are examples. Please replace or modify these to reflect the conditions at the university when preparing the data (rows may be added or deleted). However, refrain from adding too many types of entrance exams.
- If there are multiple admission periods per year, such as a fall semester admission, please indicate so in the "Fall Entrance Exam" field. If you use this field, please enter information related to entrance exams administered as of the data creation reference date specified by the Japan University Accreditation Association.
- If the intake capacity is limited to several students, enter [0].
- Include the University Examination Center Exam under the "General Entrance Exam" field. However, there is no need to enter transfer admission exams.
- Do not include exchange students as part of the international student enrollment.
- For "A/B", "Ratio of AY__ Enrollees to Total Department Enrollees (%)", and "Ratio of AY__ Enrollees to Total College Enrollees (%)" columns, record desired numbers to two decimal places.
- For law schools that do not conduct entrance examinations based on master's having been completed or not, list both as one group.
