

The APU 2030 VISION

APU Graduates possess the power to change our world.

In our global society of many different cultures and values, conflict and friction are bound to occur. APU strives to cultivate global citizens who will build a peaceful world by understanding and accepting cultural and historical differences. Fostering graduates with these abilities is at the core of APU's ideals of Freedom, Peace, and Humanity; International Mutual Understanding; and the Future Shape of the Asia Pacific Region.

APU Graduates will pursue freedom and peace with a deep respect for human dignity. By acting for the sake of both individuals and society, they can change the world.
