

# **iOS Email Setup Manual**

**Version 1.0**

**Aug 1 2018**

1. Tap **[Mail]**.

2. Tap **[Exchange]** on the **[Welcome to Mail]** page.

3. Enter your e-mail (including the @ symbol and domain name) and tap **[Next]**. Tap **[Sign in]**.

4. Enter your password and tap **[サインイン(Sign in)]**.

5. Your **[Mail]**, **[Contacts]**, **[Calendars]**, **[Reminders]**, and **[Notes]** will be synchronized by default. Tap **[Save]**.

6. E-mails should now be displayed in your Inbox.
