Records of Seniors Experiences

You can see the records from senior about their experiences regarding job-hunting and how to apply for post-graduates degree.

Diverse Career Support

If you have any questions or concerns on matters such as finding opportunities at international organizations, employment in your home countries, employment in the public services sector and visa issues, please feel free to contact us via phone or email. We will respond to your inquiry accordingly.

Job information sites

Job information sites such as Rikunabi, Mynavi, Career-tasu and Asagakunabi, have related information and opportunities available.

Let's visit our Homepage

Individual Consultations

Service with a 98% satisfaction rate

The Career Office is offering a counselling service for any career-related matters; you may come consult your concern/situation with our advisors on topics such as job hunting, internship schedule, self-assessment, ways to conduct industry research, feedback for entry-sheet/resume and interview preparation

Job fair

You can participate in the company seminars or initial screening sessions of the companies wanting to directly hire APU students at these events.

Contract-type Internships

This type of internships take place at host institutions that have concluded a partnership with APU. If you fulfil certain conditions, you can register the internship as a course and earn course credits.

Alumni visits

It is possible to contact your APU senpai who are working professionals for more information.

Bizreach Campus

APU designated resume format

Downloadable and typable form of APU designated rirekisho.
