

List of Scholarships & Minimum Application Requirements

* After the university's screening, the university will recommend the selected students to the scholarship organization.

Please be advised that candidates selected by the university will still need to go through the screening conducted by the scholarship organization to receive a scholarship.

* If you are selected as a scholarship recipient by a scholarship organization, you are required to communicate with them and become actively involved in their activities.

The language used is Japanese in almost all cases.

* For the details of the application requirements, please see the application information for each scholarship. (Japanese Only, except for Ryoichi Sasakawa Young Leaders Fellowship Fund (Sylff))

【Minimum Application Requirements】

Cumulative GPA *	2.8 or above
-------------------------	--------------

(*Except for Ryoichi Sasakawa Young Leaders Fellowship Fund (Sylff))

Total number of completed credits (Undergraduate Only)	
On completion of 1st semester	16 credits
On completion of 2nd semester	32 credits
On completion of 3rd semester	48 credits
On completion of 4th semester	64 credits
On completion of 5th semester	80 credits
On completion of 6th semester	96 credits
On completion of 7th semester	112 credits

【Important Note】

(1) Students in the following categories are not eligible to apply:

- Students whose lack of morality and/or impaired sense of responsibility makes them unsuitable scholarship recipients.
- Students who have not completed matters that are required by University Rules, such as a regular health check (including re-examinations and detailed examinations).
- Students who have already been selected as a recipient of another scholarship that does not then allow recipients to be awarded any additional scholarship, or who have applied for such a scholarship.
- **Students who currently reside outside of Japan at the time of application submission should be aware that whether or not they plan to enter Japan before the designated time will negatively affect APU's screening process.**

(2) Even after being selected as a candidate or a scholarship recipient, that status will be revoked in the case that the following matters are confirmed:

- False information in application materials or interview
- Any incident that breaches the conditions of the scholarship, such as a scholarship recipient being the subject of any University Disciplinary Actions
- Incompletion of matters that are required by University Rules, such as a regular health check (including re-examinations and detailed examinations)
- **If you have not entered Japan due to the effects of the COVID-19 pandemic or due to your personal circumstances by the designated time (refer to the Guidelines)**
