## 1. Things to Remember When Taking Your Photos

Photos need to be the designated size (40mm x 30mm), and must have been taken within three months of submitting your application.

[Specifications for Photos]

## The following photos will not be accepted:

- × The same photo that is on your present residence card
- × Photos not of the designated size (40mm x 30mm)
- × Photos of you wearing glasses or a hat
- × Photos where your teeth are showing
- × Photos with shadows on your face or those that are dark or otherwise unclear
- × Photos where your hair covers your eyes
- Photos with dark backgrounds that make it difficult to distinguish the outline of your face

## How to process photos

## 1 JPG format.

 $Right\text{-}click \ on \ data \rightarrow Open \ from \ Programs \rightarrow Photo \rightarrow Edit \ and \ Create \rightarrow Edit \rightarrow Crop \ and \ Rotate.$ 

Aspect ratio  $\rightarrow$  Custom  $\rightarrow$  Cut out unwanted parts  $\rightarrow$  Done  $\rightarrow$  Save.

Aspect ratio  $\rightarrow$  4:3  $\rightarrow$  Done  $\rightarrow$  Save.

Top right "..." → Resize → Define custom dimensions → Width: 300 Height: 400 → Save.

How to check file size

If more than 50 Kbytes  $\rightarrow$  set quality to 70% and store elsewhere.
